# TOMCAT RODENT BAIT STATION

AN ECONOMICAL RODENT BAIT STATION

## PRODUCT INFORMATION

**Professionally Responsible:** Improves the quality of service

- Helps reduce risk of accidental exposure

**Fully Functional:** Use as a monitoring station or bait station

- Use Tomcat Rat Snap Trap in the feeding chamber or set forward in runway
- Large bait capacity holds up to 8 blocks of bait and comes with vertical securing rods
- Rigid, heavy-duty plastic polymer construction to withstand temperature
- Compact size to fit in tighter baiting situations

**Easy to Use:** Maximizes technician productivity

- Rounded interior walls for quick clean-up
- Two-prong key provides easy access without extra hassle
- Multiple station securing options with textured base
