

# Key-El Copper

14% Copper as  
EDTA Chelate

1kg

# Key-El Copper

## GENERAL RECOMMENDATIONS

Key-El Copper is specifically formulated for enhanced delivery of chelated and trace elements via fertigation.

### Application Rates

**Minor Deficiency** - Apply 2.5 Kg to 3.5 Kg of Key-El Copper per application per hectare throughout the cropping season as needed. Multiple applications may be needed to correct deficiencies once they occur.

**Major Deficiency** - Apply 4.5 Kg to 5.5Kg of Key-El Copper per application per hectare throughout the cropping season as needed. Multiple applications may be needed to correct deficiencies once they occur.

Key-El Copper may be effectively applied with many agricultural products such as fungicides, insecticides, herbicides and other fertilisers. For unfamiliar tank mix combinations, sufficient evaluation to determine efficacy and crop safety may be warranted. Optimum rate of application will vary depending of crop variety, crop load and general crop health.

**BARMAC** (A Division of Amgrow Pty Ltd)

ABN 81 100 684 786

Unit B2A, 3-29 Birnie Avenue,

Lidcombe NSW 2141

**Mixing Instructions** - Put 1/3 to 2/3 of total desired water volume in tank. Add desired amount of Key-El Copper and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is a good field practice for evaluating compatibility of multiple nutrient mixtures.

### CAUTION: KEEP OUT OF REACH OF CHILDREN

**CAUTION:** Avoid contact with skin, eyes and clothing. May cause eye irritation. Wash hands thoroughly after using. In case of eye contact, flush eyes with water for at least 10 minutes and seek medical attention.

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Store in a cool, dry, locked area out of reach of children. Protect from excessive heat or cold. Dispose of container in accordance with local, state and federal regulations.

**NOTICE:** This product is designed only for the particular purposes indicated on the label. Failure to use the product strictly as directed may be illegal, prove dangerous and render the product ineffective.
