

AMENDMAX

PREMIUM SOIL CONDITIONERS

NutriPlus

350 SGN MICROBIAL FERTILISER

NutriPlus is a lignite product with an ideal formulation for increasing cation exchange capacity in sand based profiles and soil.

READ SAFETY DIRECTIONS BEFORE OPENING OR USING

Crop	Broadcast Soil Rate (kg/ha)	Comments
Turf	300 - 900	Broadcast and water in well. For best results, apply during renovation or soil aeration operations and brush into holes then top dress with sand.
Ornamentals / Gardens	100 grams/m ²	Broadcast around plants and work into the soil or cover with mulch and water in.
Vegetable Crops	250 – 500	Apply as a broadcast prior to land preparation, or add to starter fertiliser blends (15 to 50% concentration) and apply at planting.
Fruit & Nut Trees / Vines	250 - 500	Broadcast under tree/vine canopy. For best results blend with compost/mulch and apply, or broadcast compost/mulch on top of NutriPlus. Use the lower rate on young trees and vines. For new plantings apply 250 grams per hole, mix with soil during backfilling.

Precautionary Statements: Wear protective gloves/protective clothing/eye and face protection. Do not breathe fume/mist/vapour. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wash thoroughly after handling. Avoid release to the environment. Collect spillage.

First Aid: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison centre or doctor.

If on skin: Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. If swallowed: Rinse mouth. Do NOT induce vomiting.

If inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

Storage and Disposal: Keep granules dry and intact before application. Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store in a well-ventilated place. Keep container tightly closed. Store away from humidity, high temperature, fungicides, strong magnetic and electric fields. Dispose of contents/container in accordance with local regulations.

Condition of Sale: Australian Agribusiness shall not be liable for any loss, injury damage or death whether consequential or otherwise whatsoever, or howsoever arising whether through negligence or otherwise in connection with the sale, supply, use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Australian Agribusiness' skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Australian Agribusiness has any authority to add to or alter these conditions.
